CES E-Z CHAIR PLAN

May 12, 2009

Dear Valued Customer:

We would like to take this opportunity to thank you for being a loyal customer during the most turbulent year of our 40 years in the fuel business. Prices hit record highs during the summer months (when they are usually the lowest); only to drop to record lows during the colder months! This left CES & a lot of our customers locked in to high priced fuel that we had both contracted with no way out of it. This was totally unpredictable & put most people, CES included, in a financial bind. We would like to think that if nothing else, this has made us smarter. With that said, we would like to introduce.....

The new.... CES E-Z Chair Plan

This year we are offering a whole new type of budget plan. You will still be able to take advantage of our lowest cash price & you can even have the protection of a capped price. With the **E-Z Chair Plan** our representatives will constantly be reviewing & adjusting your plan in order to give you the absolute lowest monthly payment possible in consideration to your usage & the price per gallon.

Spread your usage out & make 11 even monthly payments with the E-Z Chair Plan. You can even add the protection of a “capped price”!

ACH/ Auto Bank Draft is the way to go!

In addition to giving you the **lowest cash price available**, we offer an **additional \$.05 savings** if you have us draft your bank account automatically. Call & ask a representative to send you an ACH form or go to www.combinedenergyservices.com & download an ACH form today!

This is a total savings of \$.25 cents per gallon without the hassle of having to remember to get the payment in the mail on time in order to receive your discount.

Let us do the work for you!

This year we have 2 different plans to choose from:

PLAN A: E-Z Chair Plan with a “Capped Price”
<ul style="list-style-type: none">➤ The first payment will be for the NON-REFUNDABLE “cap fee”.➤ 11 additional monthly E-Z Chair Payments beginning on 6/10.➤ If your usage remains the same as we’ve estimated for the last 2 years, <i>your payment can only go down!</i>
PLAN B: E-Z Chair Plan @ “Market Price”.
<ul style="list-style-type: none">➤ 11 monthly E-Z Chair Payments beginning on 6/10. All deliveries will be billed @ the current market rate minus the discount of \$.20 or \$.25 if you choose the ACH option.

Please keep in mind the following:

- The “cap fee” is a fee for “insurance” that we charge you & pass on to our suppliers. We do not make any money on this fee; we merely take your first payment & buy this insurance (“put option”) on NYMEX to protect your gallons. This fee is **NON-REFUNDABLE** & will be applied to your account upon enrollment.
- Any credits that you currently have on your account have been taken into consideration when calculating the monthly payment. If for any reason you **DO NOT** want your credit used toward the plan, please tell the customer service representative.
- If you currently have a balance on your account, **you must pay that balance in full** before you can start the E-Z Chair Plan.
- Capped Prices are subject to change daily, call today to find out the current capped price.

If you would like to participate in the E-Z Chair Plan, contact us today at:

e-zchair@combinedenergyservices.com

or

NY: 845-794-1210 PA: 570-828-1700 NJ: 973-948-0090

We consider the E-Z Chair Plan the absolute best way of keeping your heating bills at a minimum without having to pre-purchase your fuel requirements.
