* Price does not include tax

SERVICE HOURS

During the life of this agreement, Combined Energy Services will provide dependable, prompt emergency service 7 days a week, 365 days a year. Emergency service constitutes NO HEAT, SERIOUS FUEL LEAKS OR DANGEROUS SITUATIONS. All other services of inadequate heat, partial failures on multiple zone systems or other non emergency calls covered under contract will be performed during normal working hours, Monday through Friday, 8 am to 4 pm. No hot water service calls will be performed Monday through Friday 8 am to 10 pm. Non-emergency work, if requested, will be billed at our standard overtime rates.
